The January 2005 HEWP packet focuses on weight loss including making sense of body weight, how much weight you should lose, popular diets, weight management guidelines, food substitutions, grocery shopping, overeating triggers, physical activity and more. The packet is available on the HEWP website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=hew>

WOMEN'S HEALTH TOPIC: Hypothyroidism

The Women's Health topic for the month of January is Hypothyroidism. Hypothyroidism or "under-active thyroid" is a very common autoimmune disorder in women effecting 3 out of every 100 women. It is important to know the signs of hypothyroidism because the lack of the thyroid hormone can lead to serious problems of the brain, heart and other organ disfunctions, as well as a loss of energy. The hypothyroidism packet is available on the women's health webpage:

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Brevard County, FL – Merritt Island Wildlife Association (MIWA) and the Brevard Watercolor Society (BWS) have partnered for the second annual exhibition of "Watercolors of Wild Things." Thirty-one original matted and framed watercolors are on exhibit at the Merritt Island National Wildlife Refuge Visitor Information Center from November 4, 2004 through January 31, 2005. Hours are 8:00 am to 4:30 pm Monday through Friday, and 9:00 am to 5:00 pm on Saturday and Sunday. Many of the artists visited the refuge to obtain photographs and reference material as a basis for their paintings.

Dorn Whitmore, Supervisory Ranger, of the refuge, said, "I am very pleased with what the artists have created about my favorite refuge for this show. Historically, artisans have helped educate about wildlife through their artwork, and it has been a desire of mine for years to partner with the local art community on projects like this." The Brevard Watercolor Society is a non-profit organization for residents interested in water media. For more information about the Society, visit the website at www.bwsociety.org or call 321-255-1002. The Merritt Island National Wildlife Refuge is part of a system of more than 540 refuges in the U.S. managed by the U.S. Fish and Wildlife Service.
